# VILLAGE OF WINFIELD – BUSINESS OWNERS / MANAGERS

## Key Holder Information Form

The Winfield Police Department maintains a list of all businesses in the Village of Winfield. This serves a two-fold purpose: 1) when an officer detects a problem at the business such as an open door, suspicious activity, fire or burglar alarm, the keyholder must be contacted; and 2) This information also goes into the Central Dispatch System (Du-Comm) with the Keyholder's name, address and telephone numbers. Keyholder information that is not in Du-Comm's computer creates a delay in a potentially dangerous or emergency situation. Please note: the Keyholder #1 should reside the closest to the business, with Keyholder #2 and # 3 as alternate contacts.
